1.0 Policy Statement

- 1.1 The Ted Wragg Multi Academy Trust's mission is to transform lives, strengthen communities and make the world a better place. Lettings and community engagement are important to the Trust and its schools. By letting our premises, we intend to:
- maximise the use of schools for the benefit of communities (health, social inclusion and enjoyment).
 - ensure that the educational use of the building is prioritised without prohibiting other users.
 - provide cost-effective access. Profit margins will be welcome when derived from private or commercial usage but is not the objective when facilitating educational activity. All charges must at least cover costs.
 - enhance the work of our schools, by building relationships, and widening networks with a range of organisations placing schools at the heart of their communities.

2.0 The Aims of the Policy

- 2.1 This policy aims to clarify the procedure for letting school buildings and grounds so that all agreements are entered into with both parties knowing what they can expect and how to address any issues that might arise.
- 2.2 Sidmouth College is aware that it has resources that are of great value to the wider community and to local community groups and sports clubs, etc. While Sidmouth College will aim to support these groups and clubs wherever possible, it will ensure that the letting of facilities will at no time compromise or interfere with the core activities of Sidmouth College in providing a high-quality education to its pupils and a safe learning /working environment.

3.0 Legal Framework

- 3.1 This Policy will be published on Sidmouth College website and will be included in the Trust's Policy Monitoring Schedule.

4.0 Responsibilities

- 4.1 The headteacher is accountable for:
- reviewing and managing Sidmouth College's lettings policy, and for promoting and exploring the expansion of Sidmouth College's lettings options.
 - reviewing prices annually. Prices should reflect the type of letting, cost and local market factors.
- 4.2 The Premises Manager or equivalent school designate is responsible for maintaining records of bookings (including the completion of booking agreements) and for identifying the sums due from each organisation in accordance with standard pricing.

5.0 Procedure

- 5.1 When an approach is made about a letting, the following procedure is followed.

The lettings administrator:

- takes written details about the request.
- consults the Head or the responsible member of the leadership team about the appropriateness of the letting, if necessary.
- checks that the building/grounds are not already in use and logs the provisional booking.

The Premises/Site Manager:

- checks and confirms the details of the request
- invites a named person to meet to complete a booking request

- All parties affected, eg caretaker, cleaning staff, catering staff, will be informed and arrangements discussed.
- reviews the booking request and gives copies to the Head (or focal point lead) for approval.

Processing the application.

- Where the application for a let is accepted, the applicant will be sent a letter of consent/agreement by the lettings administrator provisionally confirming the let and invoicing to cover the cost of the let as appropriate. The hirer will be sent safety/guidance notes and Conditions of Hire (see appendix: example conditions).
- The hirer should return a signed agreement and pay the full fee for the letting, immediately. Failure to do this means that the letting may be cancelled. The client will be notified of this in writing.
- Any requests for amendment to the booking must take place at least 14 days prior to the let.
- The provisional booking in the lettings' diary should be confirmed once the signed agreement is returned.

Guidelines.

- Sidmouth College has priority use of the property to cover day to day teaching and curriculum needs.
- Sidmouth College will always seek to at least cover its costs unless it is a direct beneficiary of a fund-raising activity.
- Sidmouth College will seek to treat hirers fairly.
- Hirers will be expected to respect school property and honour all school and legal regulations which may be in force at any time.
- The person signing the application form is responsible for all aspects of the let.
- Sidmouth College will only allow hiring of the premises for purposes considered appropriate and suitable — the shared services team Sidmouth College Principle will be consulted in cases of uncertainty.

6.0 Definition of a Letting

- 6.1 A letting is defined as any use of Sidmouth College buildings or grounds by either a community group or a commercial organisation, usually taking place in the evenings, at weekends or during school holidays. Activities which fall within the corporate life of Sidmouth College, such as extra-curricular activities for pupils organised by school staff, are not considered lettings.

7.0 Category of Letting

- 7.1 There are three categories of user who should be prioritised in this order.
- Educational (of direct benefit to Sidmouth College)/statutory user¹
 - Community/voluntary user (education and training, fund-raising, playschemes, not-for-profit).
 - Commercial/private user.
- 7.2 The category will be decided by Sidmouth College, where appropriate.

8.0 Priority for Lettings

- 8.1 Sidmouth College considers that lettings of direct benefit to Sidmouth College and lettings that benefit the local community should be prioritised over commercial and private lets.

¹ Usage laid down by statute must be accommodated – e.g. use of Sidmouth College as a polling station. It is the decision of the headteacher whether to close Sidmouth College for operational/security reasons. A Risk Assessment will be required. Candidates at parliamentary or local elections are also entitled to use facilities (at times that do not conflict with educational purposes, and between notice of the election and the day preceding the day of the election). Charges must cover cost only.

9.0 Inappropriate Lettings

- 9.1 Sidmouth College retains the right to reject applications for lettings from individuals or groups whose activities, values or beliefs are considered to be incompatible with the ethos of the college.

10.0 Documentation

- 10.1 All formal hiring of Sidmouth College premises, including those for which no charge is made, shall be properly documented. All hirers must complete a booking agreement and are to receive a copy of the 'Conditions of Hire'. The booking agreement is a contract which Sidmouth College may enforce at law.

11.0 Conditions of Hire

- 11.1 The conditions under which Sidmouth College premises can be used by the hirer are contained in the Conditions of Hire Agreement

12.0 Scale of Charges

- 12.1 The Sidmouth College will annually set the hire charge for each category of letting and will review the categories of lettings.
- 12.2 On no account will general annual grant intended for the support of our pupils and the delivery of the curriculum be used to supplement lettings.

14.0 Complaints Procedures

- 14.1 The complaints procedure is as follows.
- 14.2 If Sidmouth College has a concern about a let, the Premises/Site Manager will raise the concern with the hirer.
- 14.3 If the matter remains unresolved, the hirer will receive written notice of termination of the booking agreement.
- 14.4 If the hirer has a concern, they should talk to the Premises/Site Manager (or another member identified – e.g. if the hirer has difficulties discussing the concern with a particular staff member). The Premises/Site Manager will endeavour to resolve the concern, liaising as necessary with other staff members.
- 14.5 If this concern is still unresolved, the Hirer/third party should approach the Headteacher.

- 14.6 If the Hirer or a third party wishes to make a formal complaint, the complaints form should be completed in writing. The Head will at first deal with the complaint and attempt to resolve the situation.
- 14.7 If this is not successful, the concern will be escalated via the Deputy CEO (DCEO) of the Trust to the Local Board Governors.

15.0 Health and Safety

- 15.1 Sidmouth College is responsible for ensuring that the means of access or egress are safe for the use of the hirer and that the plant or equipment used by the hirer is safe. If the hirer discovers a hazard, they should act to ensure the site supervisor on duty aware of it. Hirers will be issued with an external lettings emergency procedure which will include a set of instructions in case of an emergency. It will also require hirers to acquaint themselves with the safety procedures in Sidmouth College and to co-operate with them.
- 15.2 Hirers have a responsibility to ensure that all their activities are safe and are responsible for the behaviour of people during the let, including ensuring the safety of people from violence or any avoidable harm. Hirers should ensure that any equipment that they bring into Sidmouth College or use in Sidmouth College is safe and suitable for use.
- 15.3 Hirers should familiarise people using the premises with fire and health and safety arrangements.
- 15.4 If someone suffers an injury on site during a letting arrangement, it must be reported to a member of staff and the necessary medical and reporting procedures initiated.

16.0 Insurance

- 16.1 Hirers will be asked to arrange suitable insurance for their activities to cover any damage to the premises, furniture or fittings and to indemnify Sidmouth College against all actions relating to personal loss, damage or injury.

17.0 Damage

- 17.1 The hirer will be liable for the full cost of repair or replacement of any fixtures or fittings that become unserviceable or unsuitable for use through damage caused by any person running or attending the hired function.

18.0 Cancellations

- 18.1 The full fee will be payable if the booking is cancelled by the hirer less than seven days before event.
- 18.2 Sidmouth College reserves the right to cancel any booking, whether confirmed or not, without prior notice.

19.0 Equal Opportunities

- 19.1 Sidmouth College premises or facilities should not be let to any group or organisation that does not subscribe to Sidmouth College's policy on equal opportunities.

- 2.5 Self-Employed: Please note that self-employed people must go through an organisation which is willing to carry out a DBS check on them and are not able to process a check on themselves directly with the DBS.
