Wednesday 29th July 2020

Dear Year 11 Students, Parents and Carers

Confirmation of Year 11 GCSE Results Day Arrangements – Thursday 20th August 2020

Following my letter to you of 10th July and the completion of the online survey about how students would like to collect their GCSE results, I can now confirm the arrangements for GCSE results day.

For those students that would like to collect their results from the College, we have arranged a booking system using the Parents Evening Booking System (PEBS) which can be accessed through the College website. <https://www.sidmouthcollege.devon.sch.uk/parents-evenings.html>

The booking process will allow us to ensure that students do not arrive together as a group and that we are able to manage the day in a calm manner ensuring that all the protective measures that we currently have to have in place can be organised.

Appointments can be booked every five minutes between 8.00am and 11.00am and we ask that students book their appointment to collect their results with either Mr Ingham-Hill or Mrs Parsons' name. This will allow two students at a time to enter the College to collect their results. We ask that students enter the College site at the time of their appointment only and not earlier.

- We ask that students who book with Mrs Parsons' name enter at the **front gates** of the College and make their way to the hall via reception, whilst adhering to social distancing measures.
- We ask that students who book with Mr Ingham-Hill's name enter the **back gates** of the College and make their way to the hall using the entrance by the changing rooms, whilst adhering to social distancing measures.

The booking system will be open until 9.00am on Wednesday 19th August.

Students who would like to receive their results electronically will be able to do so by logging into Edulink with their College email address and password. **Results will not be emailed to students.** A document with instructions on how to access your exam results is attached to this email. We suggest that students access Edulink prior to results day to prevent there being any issues accessing Edulink on the day. If students have any problems logging into Edulink please email the College IT support at helpdesk@sidmouthcollege.devon.sch.uk.

Students will be able to see their results on Edulink from 8.00am on Thursday 20th August and parents will be able to see them on Edulink from 1.00pm onwards.

Prom

We continue to await further updates from the Government on large gatherings before we can finalise arrangements for the Prom which has been provisionally booked for 4th November. Please be aware that there will be a very short turnaround for payment for Prom tickets should this event go ahead as a decision must be made six weeks before this date at the very latest. We will update you as soon as we have more information.

Please can we therefore ask all students who have not already done so to complete the Year 11 Destination Information survey (link below) as soon as possible. This was originally sent out in a letter on 21st May. This will also collect personal email addresses so we can contact students about the prom.
